

Daily non-stop service between Shanghai and Montreal

Air Canada flies non-stop daily year-round flight from Shanghai to Montreal. In Montreal, flights are timed to optimize connections to and from the carrier's extensive Eastern Canada and U.S. networks including Ottawa, Quebec City, Halifax, New York and Boston.

With the introduction of new flights, Air Canada offers 35 weekly nonstop flights between China and Canada, namely Beijing-Vancouver, Beijing-Toronto, Shanghai-Vancouver, Shanghai-Toronto and Shanghai-Montreal. Those flights are operated with Boeing 787 and 777-300ER.
